ABOUT THE PROPERTY

MT Custom Built Home Woodwork Throughout Heated Shop

This gorgeous custom built home was built by the current owners in 2009 on 4 City Lots totaling just over 3/4 of an acre within the city limits. High-end finishes were used throughout including exotic hardwood floors, custom banister and handmade solid hickory doors and trim. Master bedroom, master bath and laundry room are all conveniently located on the main floor, and 3 other bedrooms with egress windows are in the basement. Abundant storage and parking provided by the attached 2 car garage and detached heated and plumbed 40' x 40' shop. The beautiful landscaped fenced yard and garden spot, as well the covered patio with colored and stamped concrete is the perfect spot for summertime entertaining.
